## Bread & Buns

Nothing is as tasty as fresh-baked bread and buns. Fresh out of the oven, with a small pat of butter, they are delicious.

Focaccia bread is a good addition to a pasta meal or with a hearty bowl of soup. A serving suggestion I like to offer is to pour a small amount of olive oil and of balsamic vinegar into a shallow bowl and swirl & dip the focaccia piece into it & eat it.

<b>Focaccia</b> - <i>With herbs &amp; spices kneaded into the bread. Topped with some herbs and sea salt.</i>	<b>\$5.00 per loaf</b>
<b>Air Buns</b> - <i>White or 50% Whole Wheat are available. Packaged by the dozen</i>	<b>\$5.00 per dozen</b>

<b>Cinnamon Buns</b> - <i>Lots of Cinnamon! Specify with or without raisins.</i>	<b>\$5.00 for plate of 4</b>

## Pies

I make all my pastry by hand so that it is flaky and light! Apple Pie, Rhubarb Strawberry Pie, and Pecan Pie sold very well at the Farmers' Market in Olds. But I can do many more varieties than that! Sour Cream Raisin, Blueberry, Pumpkin are just a few very delicious pies.

Then there are the Cream Pies - Banana Cream, Coconut Cream, Lemon Meringue, Flapper Pie, etc. Perhaps you like a chocolate crumb based Grasshopper Pie! I will make any of them to order.

My Deluxe Coconut Cream is out of this world! Made with fresh coconut and real whipping cream. It is worth the cost!

<b>Pumpkin Pie</b> - <i>Like Grandma used to make</i>	<b>\$12.00</b>
<b>Apple Pie</b> - <i>Lots of apples, cinnamon &amp; good</i>	<b>\$12.00</b>
<b>Banana Cream</b>	<b>\$12.00</b>
<b>Lemon Meringue</b> - <i>Pucker up - lemony &amp; good!</i>	<b>\$12.00</b>
<b>Pecan Pie</b> - <i>Nutty &amp; yummy!</i>	<b>\$12.00</b>

## Muffins & Loafs

A variety of muffins are available. Some favorites are Buttermilk Bran Muffins, Blueberry Muffins and Banana Chocolate Chip Muffins. Other varieties available to order are Apricot Muffins, Coffee Cake Muffins, and Apple Stuesel Muffins.

Savory muffins are available, as well. Bacon Cheese Muffins, Corn Muffins & Savory Onion Muffins are three possibilities.

Biscuits are buttery and light. Great with stew, or for breakfast with cheese & jam.

Do you prefer a tasty loaf? Banana Loaf, Carrot Loaf (my husband's favorite) or Pumpkin Date Loaf are a few popular varieties.

I make a moist and scrumptious Corn Bread to serve with any Mexican meal.

<b>Blueberry Muffin</b>	<b>\$5.00 for 4</b>
<b>Carrot Loaf</b> - <i>With walnuts &amp; spice</i>	<b>\$10.00</b>
<b>Banana Choc-chip Muffin</b>	<b>\$5.00 for 4</b>
